

# SYSTEM INSPECTION REPORT

If you have any questions or concerns about your report, please email [admin@bigskyenergy.com.au](mailto:admin@bigskyenergy.com.au)

## Site Details:

---

**Date Completed**

**Technician**

**Customer Name**

**Phone**

**Address**

**Work Order No#**

## General Information

---

**Type of Racking Installed?**

**Notes on the quality of the  
brackets & cables?**

**Was a panel clean completed?**

**Y/N:    expected loss:  
          Time of Clean:**

**Notes on the overall condition of  
the racking?**

**Current from panels before clean?**

**Voltage from panels before clean?**

**Notes on the quality of  
the isolator?**

**Current from panels after clean?**

**Voltage from panels after clean?**

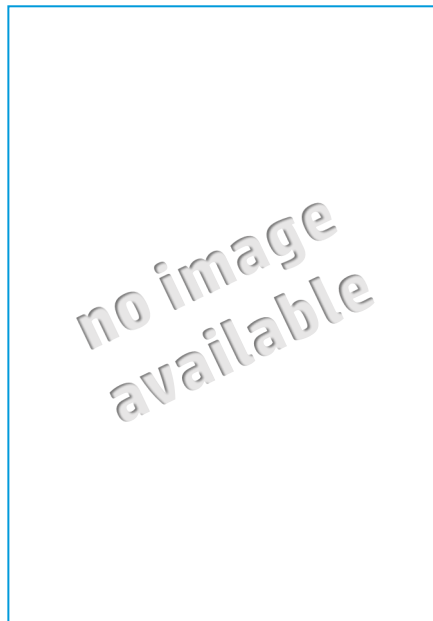

## Clean Before & After Photos

---

**Before:**

**After:**

# Inverters

**Inverter/s Make & Model / Size**

**Cause of Inverter Damage?**

**Number of inverters installed?**

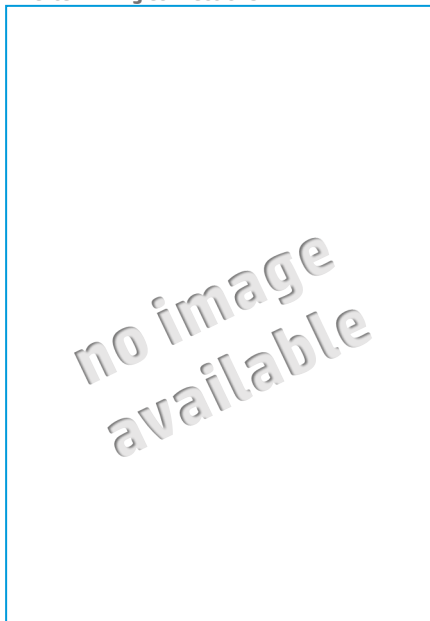

**Total Array Size (W)**

**Notes on overall condition of the Inverter?**

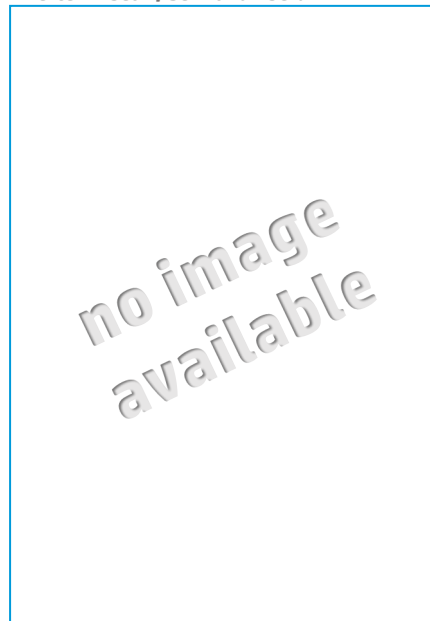

**Overall view of the inverter:**

**Inverter Wiring Connections**

**Inverter Label w/ Serial Number:**

**Display Screen Photo:**

**Voltage in PPT1**

**Voltage in PPT2**

**Switchboard/Meter Box Photos:**

# Panels

**Panels/s Make & Model / Size**

**Notes on overall condition of the panels?**

**Number of panels installed.**

**Total Array Size (W)**

**Damage to the panels?**

**Overall view of the panels:**

**Panel Array Picture 1:**

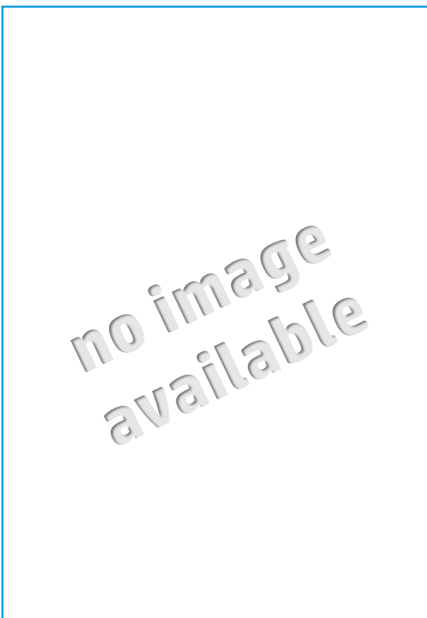

**Panel Array Picture 2:**

**Panel Array Picture 3:**

**Isolator Photo:**

**Brackets Photo:**

**Cables Photo:**

## Recommendations

---

**How are the Panels?**

**How is the Inverter?**

**Replacement Inverter?**

**Would upgrading my inverter be beneficial?**

**Any Additional Further Recommendations?**

~/~

Thank you for choosing our solar system inspection service. We appreciate the opportunity to assess the condition and performance of your solar array and inverter. We hope that this report provides you with valuable insights into the health and efficiency of your system.

At Big Sky Energy we are committed to ensuring the long-term success of your solar investment. If you have any questions or concerns regarding the inspection findings or require further assistance, please do not hesitate to reach out to our team. We are here to support you every step of the way.
